## President's Corner

Well, another great Escapade is over, new officers have been elected and it's time to look forward to the future by evaluating the past, recognizing God's anointing on our activities and from that, determining the direction for this next year.

First a great Big "Thank You" to Roger Starkey and his gracious helpmate Arlene, their leadership was vital to the continued growth of our BOF. To Nancy O'Bosky our past VP who has consented to continue in that position: WOW what a Wagon master, she and Steve are a bundle of ideas. Our Secretary Barbara Henderson along with Richard has done a yeoman's job keeping our records straight and our relationship with Escapees in order. Janet Hersh our Treasurer made sure our finances were in order and Monte in sharing Janet with us was a blessing. Without Orv and Marge Schinke, we would not know the status of our membership nor would we have the communication through this awesome newsletter. Dale and Florence Archibald, our talented VCR's (Volunteer Chapter Representatives) added much to our success. Again, HUGS to you all and again Thank You!!

Now looking to the future. All of those listed above have stepped up to the plate again and volunteered to function with Missy and me as a leadership group. The old saying says, "two heads are better than one" and the Bible says in **Proverbs 15:22** Without counsel, plans go awry, But in the multitude of counselors they are established. We need YOUR HELP also! We would appreciate hearing any suggestions that would extend the outreach of our BOF.

We're attempting to work more closely with the other Christian BOFs such as: Sowers, Nomads, MAPPs, and RVIC. Also as Missy and I are traveling in the east this Fall and Wintering in Florida, we're hoping to make contact with other Christian Fellowship Escapees. Please contact us and let us know where you'll be.

Since the Escapade, The focus of my daily devotions has been **John 15:1-16** and as a result our focus for this next year should be on the vine, our placement in it, the fruit of that placement, and the purpose and use of the fruit. With that in mind, here is a poem that will help get you thinking. The devotional I'm using is: The True Vine Meditations for a Month by Andrew Murray. This devotional delves into the mysteries of relationship.

"The mystery which hath been hid from ages, but now is made manifest to His saints: to whom God would make known what is the riches of the glory of this mystery...which is Christ in you, the hope of glory."—  
**Colossians 1:26, 27**

## ...and the Vice President

I happened to spend a Monday evening recently in a woman's backyard Bible study. Actually while I was there, I was thinking of you all and how different life has been without our wheels turning and without spending time with all of you dear ones we have come to treasure so much in our hearts.

The speaker of the video we watched was Beth Moore and that evening she spoke of how acutely important it is that we strengthen one another, build relationships, encourage and uplift and be available to our fellow brothers and sisters in the Lord. She shared a verse that pierced my heart.

**Zephaniah 3:9** "Then will I purify the lips of the peoples, that all of them may call on the name of the LORD and serve him shoulder to shoulder.

I pray you will ask yourself the following:

Have I surrendered my lips to the Lord to be used for His purposes to build up and encourage and not to tear down?

Have I called on the name of the Lord, sought His face, humbled myself before Him, fallen on my knees accepting His love and grace as truth in my life?

Have I stood next to my brother and sister in the Lord, even in this Christian Fellowship RV club, shoulder to shoulder so that there is no gap, nothing that can pierce the unity of the Christ as our treasure?

It causes me to consider our theme verse of CF BOF once again. May I share it with you from The Message:

**Hebrews 10:23-25** Let's keep a firm grip on the promises that keep us going. He always keeps his word. Let's see how inventive we can be in encouraging love and helping out, not avoiding worshipping together as some do but spurring each other on, especially as we see the big Day approaching.

Let's encourage one another, let's stand shoulder to shoulder, let's worship and praise and share and love together, spurring one another on!!

Let me be the first! James and Angie Archie brave lovers of Christ stepped forward to see the California Delta Gathering become a reality! Bravo! Melva and Glen Dugan said yes to be their capable co-hosts.

Sheila and Bob Wessel said yes to having a first ever Eastern Gathering in Indian. Jeff and Candy Fryrear stepped up and helped out coming alongside of them! Wohooo!

Roger and Missy Pierce seeing a need for continued leadership in the Christian Fellowship said yes to be president, and able helper and encourager, Missy, said yes to encouraging and supporting Roger in this.

So many of you have given of your time, your love, your care, your talents....keep up the good work!! Let us not tire of doing good! But come shoulder to shoulder with one another.

We need a co-host for January in Quartzsite to stand with Dale and Florence Archibald who have persevered in their nurturing and building of our group. Won't you consider saying yes if you are heading to Arizona in January?

Ask anyone who has taken part in a Gathering...they are such a blessed time! Get creative, be inventive, be bold and say, "Yes!!" E-mail me at christianbof@gmail.com

*Nancy O'Bosky, SKP 70073*

## Prayer Requests

Prayer requests are listed in the order received and are provided so that God's Army of Intercessors can bombard Heaven with prayers.

*"The effectual fervent prayer of a righteous man availeth much." James 5:16*

1. Pray for family members to come to the full knowledge of salvation in the Lord Jesus Christ.
2. Pray for all Escapee members that have health issues.
3. Pray for our President, his cabinet, the Congress and all our national leaders and all in authority that they will be lead by the Holy Spirit in all their actions. We are at a time in our lives like no other time before. Our leaders need our prayers.
4. Pray for our Armed Forces everywhere and especially those in Iraq and Afghanistan.
5. Pray for our upcoming election; pray that Godly people will be elected and that our nation will return to its Christian roots.
6. Pray that our education system will again allow prayer in school. Since prayer has been removed from schools there has been an upswing in juvenile problems.

## Answers to Prayer

I have to again thank you all for the prayers offered for me during my period of rehabilitation. There hasn't been a day that's gone by that I haven't felt the prayers of many of you. It's so important to remember that prayer works.

*Orv Schinke, SKP 65543*

## Healing

*I wonder, do we really believe God for healing in our bodies? Does He really heal? What does the Bible say?*

*"Surely He has borne our griefs And carried our sorrows; Yet we esteemed Him stricken, Smitten by God, and afflicted."*

*"But He was wounded for our transgressions, He was bruised for our iniquities; The chastisement for our peace was upon Him, And by His stripes we are healed."*

**Isa 53:4-5 (NKJ)**

*"...who Himself bore our sins in His own body on the tree, that we, having died to sins, might live for righteousness—by whose stripes you were healed."*

**1 Pet 2:24 (NKJ)**

## Thanks from Past President

As I write this please note it's from a different perspective - I'm no longer CF President. However, first let me earnestly pay tribute to several very good people in our CF BOF. I'm writing this personal salute to Nancy O (christianbof@gmail.com), Janet H (jwhersh@yahoo.com), Barbara H (hende@worldnet.att.net), Orv S (orvschinke@gmail.com), Marge S (margeschinke@gmail.com), Dale and Florence A (archiedale@pocketmail.com). *I've added the e-mail addresses of these people so that you might also pass on thanks and encouragement to them.*

Nancy - you've helped to make our CF exciting and have kept us out of the same old thing. Now we have Fireup, Afterglow and Gatherings. These have all added to our Christian Fellowship BOF. Dale and Florence, VCR's, helped get these ideas going.

Janet - your ability to keep our books with coordination from Orv has made it possible to be OK with Livingston.

Barbara - your patience and polite insistence on doing things right has really helped me during the past 3 years as it might have been messed up.

Orv - you've been a pillar of strength and I've been able to go to you several times to help with an idea or how it should be done and what should be next. Publishing this High Flyer and keeping track of club memberships has been huge.

Marge - how I've envied your ability to use the computer and to be our CF Webmaster. The whole Escapade has seen your work as you've designed the program covers and even the year to year Escapade stickers plus other things.

Dale and Florence - you've challenged us several times with great messages and hosting in Arizona.

To each of you I'm saying Thank You and God has blessed me with your talents as we've all made the Christian Fellowship BOF to be an exemplary group of friends within the whole Escapees RV Club.

For the privilege of being President for the past 3 years - Thanks to you - every member. I firmly believe that our CF can look forward to many exciting events under the leadership of President Roger Pierce and all of you present officers.

In conclusion many of you have been so kind and encouraging to me during the past four years. God Bless you.

*Roger Starkey, SKP 27065*

## I Didn't Know That!

At Sunday School they were teaching how God created everything, including human beings. Little Johnny seemed especially intent when they told him how Eve was created out of one of Adam's ribs.

Later in the week his mother noticed him lying down as though he were ill, and she said, "Johnny, what is the matter?" Little Johnny responded, "I have pain in my side. I think I'm going to have a wife."

## Thanks, Roger

With the changing of the guard, so to speak, it is necessary for a few words to be written about our Past President, Roger Starkey. Roger came to us at the Spring Escapade in Imperial, CA in 2005. He allowed his name to be nominated for vice president and he was elected by acclamation.

Roger, in his own humility, mentioned that he knew little or nothing about the operation of the Christian Fellowship BOF but he was willing to learn. Roger had no knowledge of what was ahead of him. Although he was elected to the office of vice president, he immediately had to take on the duties of president because the BOF president at that time was out of the country.

Roger dug in, asked questions, took advice and helped get the Christian Fellowship BOF moving forward. Under his leadership from 2005-2008, the BOF gave over \$5,000 to CARE which gave us the \$1000 patches that you will see on our banner.

Roger, our hats are off to you for your diligence and hard work.

And to Roger Pierce, thank you for stepping in to take over the task of leading the Christian Fellowship BOF.

## News and Views

*Editor's Note: This is an excerpt from an e-mail received from David McQuoid who has a ministry of helping other ministries called "Serving the Database and Software Development needs of Christian ministries through Computers In Ministry and Mission Builders International David@CIMonline.org"*

Just a short note to update you on my travels and location while On-The-Road for Computers In Ministry. After finishing at YWAM Coatesville PA, I headed west to Richmond IN where MATS International ([www.MATS.org](http://www.MATS.org)) has an office.

This visit to MATS was not about computers or software; it was about trucks.

MATS International is a world-wide service to missionaries provided by Covenant Auto Sales ([www.CovenantAutos.com](http://www.CovenantAutos.com)). They will locate, procure and sell vehicles to full-time missionaries throughout the world as well as in the states. They handle both new and used cars. In some instances they will arrange delivery to the overseas location of the missionary directly from the factory nearest that location.

I had been on the "look-out" for a newer truck for at least three years and seriously looking for the last year and a half. The specific combinations of kind, form and function I need have been difficult to find. The truck MATS found not only met those needs and was affordable; it also has some of the items that were just on my "wish list".

*Roger & Roger*

As many of you know, my old truck was becoming more expensive with increasing numbers of repairs and recently a couple of times needing to be towed (with the trailer attached) to a repair facility.

This new-to-me truck will be a great improvement in reliability and has an expected reduced cost-of-operation compared to my old truck.

Presently I am in Kansas City MO for a visit to Avant Ministries. My schedule after that is open; please pray for more service opportunities.

*David McQuoid, SKP 90501*

## Proposed Leadership Group

The Gillette Escapade is over and it was successful for the Christian Fellowship BOF.

"Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven. For where two or three are gathered together in My name, I am there in the midst of them." **Matthew 18:19-20**

I was elected to the office of President. My wife Missy and I are looking forward to a great year. This will be a new experience for us so we are asking you us. We believe that leadership is a group function with one head and several supporters. The Bible says, "Without counsel, plans go awry, But in the multitude of counselors they are established." **Proverbs 15:22**

With that in mind, we invited the four elected officers: President, Vice President (Wagonmaster) and Secretary & Treasurer as well as the Immediate Past President, Newsletter Editor & Membership Chairman, Webmaster and VCR Advisors (Dale & Florence) to become a part of the leadership group. Their experience and wisdom is needed if we are to know and do what God has for us to accomplish within the Escapees RV Club. We know that our Father wants us to be wise as serpents and harmless as doves and this is where group leadership is most effective.

## **Would You Care?**

If I happened to show up on your door step crying, Would you care?

If I called you and asked you to pick me up because something happened, would you come?

If I had one day left, to live my life, Would you be part of that last day?

If I needed a shoulder to cry on, would you give me yours?

You know that I am there for you.

## Membership Expiration

To help you remember when your dues expire, those members who receive their newsletter via snail mail, look at your mailing label. On the top line is a year: 2008, 2009, 2010, etc. That indicates that your dues are paid through December 31 of that year.

For those members who receive their newsletter via e-mail or download it from the website, there is no way of indicating when your dues are expiring other than receiving an e-mail reminder from the Membership Chairman that your dues are about to expire.

## Address Updates

I continue to have newsletters were returned to me because of faulty addresses. This costs me postage (my mail is sent from Livingston) as well as extra postage for the BOF. I don't want anyone to miss out on the information provided through the newsletter so it is important that all members keep me apprised of changes in membership profiles. It's one of your benefits.

## Laughter is Good

You don't stop laughing because you grow old, You grow old because you stop laughing!

### With that in mind...

Attending a wedding for the first time, a little girl whispered to her mother, "Why is the bride dressed in white?" "Because white is the color of happiness, and today is the happiest day of her life."

The child thought about this for a moment, then said, "So why is the groom wearing black?"

---

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to "Honor thy father and thy mother," she asked, "Is there a commandment that teaches us how to treat our brothers and sisters?"

Without missing a beat one little boy answered, "Thou shall not kill."

## The Editor's Corner

Sometimes, when material is submitted for publication in the newsletter, I have to change the material to fit the available space. Please note that this is not done to affect the submission but merely to make it fit. Occasionally, I will change the report provided for publication, much to the chagrin of the one who submitted it. Sometimes, though trying to be objective, I will omit something that the person submitting the material was very important. If this occurs to any item you submit, please understand that I try to publish everything that is submitted, only limited by available column space and what may be thought to be not in the best interests of the member readers.

## CARE

One of the main aims of the Christian BOF Fellowship is to be a giving group of individuals. Many of us have realized the importance of being charitable. It comes back many times over. We need to remember that we can't outgive God. We try to be a major contributor to CARE because CARE is there for us when we need them.

## BOF Chat Group

Do you want to stay in daily touch with the Christian Fellowship BOF? You now can, via e-mail. All you have to do is send an e-mail to [Christianbof-subscribe@yahoo.com](mailto:Christianbof-subscribe@yahoo.com).

When you receive a reply you will be able to send messages to [christianbof@yahoo.com](mailto:christianbof@yahoo.com) that everyone who subscribes to it will receive.

This will allow you to send messages to one address instead of having to try to remember the addresses of many people. If you have a pressing prayer need, a praise report, or just want to share something that's going on in your family, you can send it and everyone will be made aware right away instead of having to wait for a newsletter to be published.

Don't forget to check out our Christian Fellowship BOF website at <http://www.escapees.com/christianfellowship> then click on the link at the bottom which takes you to our main website at <http://www.christianbof.com>, or you can go directly to the main website, if you so desire.
