## Time for the Fall Escapade

Where has the summer gone? It seems like only yesterday that we were in Chico at the Spring Escapade. My how time flies when you're having fun! Now we find that the Fall Escapade in Van Wert, OH is a little over one month away. Directors Wayne & Beth Roberts have put together a very promising program. With the spiritual growth being experienced in the BOF, get ready for a great time in the Lord when we meet at the Fall Escapade. More and more we are noticing the influence that this BOF is having on those who attend the Escapades. We can do that by praying for the directors and our leaders. We need to continue to plant seeds with those we meet. You may never know what affect you have on others, both positive and negative. The Apostle Paul said, "I have planted, Apollos watered; but God gave the increase." **1 Cor 3:6**

Be ready to take part in the meetings on Sunday at 1:00 or 2:00 pm (check your program for exact time & location) and every morning, Monday–Thursday at 7:00 am. You will be blessed greatly. Remember, we get out of the services what we put into them. We have received many positive comments on how well the day went for those who started each day by attending the BOF praise and worship services each day.

## Attributes of a Volunteer

Websters dictionary defines a volunteer as "a person who chooses freely to do or offer to do something." A good volunteer has a servant's heart. Jesus said, "He that is the greatest among you shall be your servant and whoever shall exalt himself shall be abased and he that shall humble himself shall be exalted." **(Matt 23:11-12)**

The Escapees RV Club could not function without volunteers. In addition to the Directors, in order to put on an Escapade, it takes over 200 dedicated volunteers. Some of the work is drudgery, dirty, and not a lot of fun. But, there are volunteers who do it and they stand in line to get their name on the list for the next event.

The Christian Fellowship BOF is no different. It is like an Escapade only on a much smaller scale. The BOF requires officers who direct the activities, namely, President, Vice President, Secretary, Treasurer and an Officer-at-Large.

## President's Corner

As I sit before the computer it's hard to realize it's been three months since the spiritual high that many of us experienced at the Spring Escapade. Here, I'm at home and it's hot! Many know of Fresno's summer heat so it's easy to be so envious of those SKPs who are traveling. As you pick your spots for visiting and for scenery and away from the sweltering heat, remember that God has richly blessed our nation with a great diversity for our enjoyment and use. We're looking forward to Van Wert in September. It's our hope that many of you will be making your plans to attend. There will be many other SKPs and visitors at this Escapade and our witness can be a refreshing challenge for those not in our BOF.

It was certainly interesting after the Spring Escapade to see the renewed interest in the BOF Chat group. It's a great way to keep in touch even though separated by hundreds of miles. If you are already subscribed, take time to send someone a note; if not yet, please join—it is free at [Christianbof-subscribe@yahoo.com](mailto:Christianbof-subscribe@yahoo.com). You will receive a reply and then you can send messages to members at [christianbof@yahoo.com](mailto:christianbof@yahoo.com)

I'm thinking of the good time many of us had at the Afterglow near Chico and hope we can have another after Van Wert. If you can be a part of this event please read page 9 of the May High Flyer. Then contact either [nobosky@yahoo.com](mailto:nobosky@yahoo.com) or [rstarkey@softcom.net](mailto:rstarkey@softcom.net) so that our BOF can extend the joy of Christian Fellowship beyond the days of Escapade. We really need your input.

It is easy just to get up, begin to rush about but I'd remind you of The Difference in the next few lines... I got up early one morning and rushed right into the day; I had so much to accomplish that I didn't have time to pray. Problems just tumbled about me, and heavier came the task. "Why doesn't God help me?" I wondered. He answered, "You didn't ask." I wanted to see joy and beauty, but the day toiled on, gray and bleak; I wondered why God didn't show me, He said "But you didn't seek." I tried to come into God's presence; I used all my keys at the lock, God gently and lovingly chided "My child, you didn't knock." I woke up early this morning and paused before entering the day; I had so much to accomplish that I had to stop and pray.

It's my hope that these lines from an unknown poet will challenge you. In closing, come to Van Wert if you can for the Fall Escapade and I hope to see you there. Remember Fall Escapade is only a month away.... SKP hugs all around.

*Roger Starkey, BOF President*

## Fall Escapade Row Representatives

Bill and Karen Tinsman, SKP 53106, have agreed to represent the Christian Fellowship BOF on The Row at Van Wert, OH.

## ...and the Vice President

Hear Ye Hear Ye! Calling together our Christian Fellowship BOF!

Let's "Gather" together to exalt our Lord, ask His blessing, build fellowship and praise His name!

The possibilities are in the wind of several "Gatherings" of the Christian Fellowship BOF to take place in the upcoming months. Won't you take a moment and check your schedules and see if you would be able to be include yourself in one or several of these times of Christian fellowship?

All of the following are tentative at the present time—BUT would you be so kind as to e-mail me if you are interested in coming to one of these "Gatherings?" As of right now, the schedule of events is such that they will be very informal—just coming together as a body of believers to fellowship and praise Him!

- January 2007 in the Quartzsite area before or during the RV show.
- March of 2007 in the Casa Grande Arizona area—most likely the first part of March.
- Possible Mid-April 2007 "Gathering" at the O'Bosky's Home Ranch in Visalia, California prior to Spring Escapade in Stockton.

So don't delay. Check your schedule to see if any of these times and places would be possible for you. Then please just drop me, Nancy O'Bosky, an e-mail at [nobosky@yahoo.com](mailto:nobosky@yahoo.com) to share with me that you might be interested! More information will be sent to you by e-mail when it is available if you have contacted Nancy at the above e-mail address.

Stay tuned for updates! Let's remember **Hebrews 10:24-25a** "And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together...."

*Nancy O'Bosky, Vice President*

## Condolences

My name is June Arnold and my husband's name was Hap Arnold. I'm sorry to tell you that he went to be with the Lord on May 30, 2006. He had cancer. We thought he was being healed but it flared up really bad. I thank the Lord that he did not have to suffer very long. When he got the CAT scan and it showed that it was pretty bad he took it very well and told his friends that he was going to go be with the Lord. Most Christians believe that Heaven is a much better place than this old earth, but we sort of want to set our time when we're going there. But it doesn't work that way. I believe God was ready for Hap to come Home and that was it.

We had been living in our motor home and now I must sell it. I have a 2000 American Tradition diesel pusher with a 300 Cummins engine in it. If you know of anyone who would be interested I could make them a very good deal. It can be seen on the internet at [motorhomesused.com](http://motorhomesused.com). Right now it is parked in Folsom, CA where I am living with my daughter. Anything you could do for me would be appreciated. Thank you in the Lord. *June Arnold, 37668*

*Our prayers and thoughts go out to June as she goes through this time of loss of her husband, Hap.*

## Prayer Requests

Prayer requests are listed in the order received and are provided so that God's Army of Intercessors can bombard Heaven with prayers.

*"The effectual fervent prayer of a righteous man availeth much." James 5:16*

1. Pray for family members to come to the full knowledge of salvation in the Lord Jesus Christ.
2. Pray for all Escapee members that have health issues.
3. Pray for our President, his cabinet, the Congress and all our national leaders and all in authority that they will be lead by the Holy Spirit in all their actions. We are at a time in our lives like no other time before. Our leaders need our prayers.
4. Pray for our Armed Forces everywhere and especially those in Iraq and Afghanistan.

*Editor's Note: Using the BOF Chat Group (page 7), prayer requests can be shared quickly and let everyone be aware of needs. No personal prayer requests were received prior to the publishing of this newsletter.*

## News and Views

I was at a Bluegrass festival in Colville, WA in July where they had some wood working & carving vendors ... one carver had used a rotary tool to carve ear rings from cherry seeds. They looked like tiny hand baskets and there were very little dried flowers stuck in them ... I plan on trying it and then making a basket weave pattern on them (wish me luck). He also carved peach pits into monkeys ... now, is that challenge enough? *Richard Zerbel, 37968*

We are enjoying a lovely warm summer in Osoyoos BC, our only little spot of true desert in all of Canada. It certainly is living up to its name.

Nancy O'Bosky, BOF Vice President, and husband Steve, and Duke the wonder dog spent five days with us in June and got to experience true desert heat. We had some good times together, eating, fellowshiping, picking fruit and making pies. We also enjoyed talking BOF Christian Fellowship future plans for more "mini-afterglows" in various places throughout the southwest. I think it is a fine idea.

If any of you ever thought of spending time in the remote and rugged Chirichuas of Southeast Arizona, we would highly recommend it. Our two weeks there in late April was a wonderful experience, particularly appealing to birding enthusiasts. No doubt we shall return again sometime. Anyone wanting further info, our e-mail address is archiedale@pocketmail.com or phone during summer months at (250) 495 6563.

We will be on the road again for about 6 weeks starting late July. We love to spend time in the West Kootenays in British Columbia, and will attend Alberta Roamers 10th Anniversary Rally in August. Our kids and their families in Golden BC and Calgary also get to have our 5th wheel parked in their yards for our twice a year visits.

God bless all of you. We are looking forward to connecting with some of you this winter. Keep in touch.

*Dale and Florence Archibald, 71728*

After the 2006 Spring Escapade in Chico, CA, we traveled north to Oregon. We stopped for a few days at the SKP Park in Sutherlin, and then continued on to Salem to visit relatives.

The day we left Salem for Crooked River Ranch in central Oregon, our transmission failed a few miles east of Stayton, OR. Thank the Good Lord for emergency road service. When the tow truck came we asked them to check to see if we could park our fifth wheel at the Ford garage where they were taking our truck. The Ford garage said no. The towing company checked to see if we could park in a storage lot where they rented space. The lot was owned by an 80-year old man named Mike Adams, who also owns Mike Adams Construction. He said yes.

This turned out to be a delightful few days while we were waiting for our truck to be repaired. The first day someone came by and told us what there was to see around the area. It turns out that we were only 15 miles from Silver Creek Falls—a favorite place for our family to visit when I was growing up.

Stayton Ford had provided us with a loaner car so the next day we went sight seeing. When we came home there was a large rubber mat in front of our door steps. I said, "Someone has left us a welcome mat."

A few moments later Mike Adams drove up. He had not only put out the "welcome mat" for us but proceeded to entertain us with some puzzles and games he had made. During the next few days he stopped by everyday to demonstrate and give us a toy or puzzle he had made in his work shop.

Then one day he told us he wouldn't see us the next day because he was going into the hospital to have a stint put in. This was our cue to ask him if we could pray for him. He was very touched as we laid hands on him and prayed.

This five-day interlude in our travels turned out to be a very pleasant time in spite of the vehicle problems. God is good!

## Never Too Old

So many times we say that the task ahead of us is too great. Well, here's an example of what you can do if you set your mind to it.

Carol Weishampel #80679, packed up her motor home, and with her 12-year old grandson Chris, and two Sheltie dogs, traveled from Texas to Alaska. Carol is a single mom who reared 12 children. She was looking for adventure and she found it. In her words, "...volunteered at an Alaskan youth camp, aided a struggling, pioneer church; and managed numerous, information-packed but nail-biting side trips along the 13,000-mile way.

Carol has written a book: **Grandma's Ultimate Road Trip, Texas to Alaska** which chronicles this trip. If interested in talking to Carol about her adventures, contact her at [grandmasonthego@netzero.net](mailto:grandmasonthego@netzero.net).

## JOB APPLICATION

To Whom It May Concern:

I heard you were considering a new manager in your life. I would like to apply for the job. I believe I am the qualified candidate. I created the heavens and the earth. I AM. I am the only one that has ever done this job successfully. I was the first manager of human beings. In fact, I made them. So, naturally, I know how humanity works, and what is best to get people back into proper working condition. It will be like having the manufacturer as your personal mechanic. If this is your first time considering Me, I would like to point out that the blood of My Son, Jesus, on the cross of Calvary has already paid my salary. What I need from you is the acknowledgment that the price is sufficient to pay for all of your sins and your independence from Me. I need you to believe this in your heart and to tell somebody else about your decision with your mouth. The next thing I ask is the right to change and fix your life, so you can learn how to stay close to Me. I will make some major changes and revisions. They are not for you to worry about.

I need your permission to execute these changes:

- \* My way and in My time.
- \* I will change your desires and give you the strength to make the changes.
- \* Please keep YOUR hands out of the way. I won't require assistance. Don't try to help me and don't resist me. I really do need your full commitment and cooperation. If you give me those, the process can go smoothly, without delays.

## Did You Know...

That for the BOF to remain certified, we must maintain a membership of 150 members—that is 150 SKP membership numbers. As of July 31, 2006, our paid membership is 182.

## How Majestic Is My God

You have always been with me  
The realization has just taken so long,  
Not acknowledging Your majesty  
Are like words without a song.  
Though I have stumbled often,  
Fallen and have lost face,  
With your endless love and mercy  
I fear not of losing your grace.  
For only by Your grace have I been saved  
There is nothing I can do,  
Only by trusting, believing and faith  
Will I come face to face with You.

*By Jim Cuccia*

## The Son

A man had a son who went to fight in the war. During the war he was killed saving a fellow soldier's life.

One day a man carrying a package knocked on the door. He said, "You don't know me—I'm the man your son saved.

He handed the old man the package. It contained a portrait of the old man's son, painted by the man his son had saved.

The portrait of his son had hung over the fireplace. He had proudly shown this portrait to everyone who had come into his house.

The old man was an art collector and a few years later he died and they had an auction of his famous artwork.

The auctioneer brought the son's portrait up first for bid. "Who'll start the bidding? Who'll give me \$100/\$200 for this picture?"

Someone in the back of the room yelled out, "Forget it—bring up the famous art—That's what we are here for."

Over and over they yelled out this chant.

Finally a man in the back row paid \$10 for the picture. He was the gardener—it was all he had.

"Now, a man said, "Bring out the real art."

The auctioneer said, "I'm sorry, the auction is over."

There was a stipulation in the will that said whoever got the son got the whole estate including the rest of the art.

"He who gets the son gets everything." God gave His Son for us. **He who gets the Son gets everything.**

## Don't Judge Others

I was shocked, confused, bewildered  
as I entered Heaven's door,  
Not by the beauty of it all,  
nor the lights or its decor.

But it was the folks in Heaven  
who made me sputter and gasp—  
the thieves, the liars, the sinners,  
the alcoholics, the trash.

There stood the kid from seventh grade  
who swiped my lunch money twice.  
Next to him was my old neighbor  
who never said anything nice.

Herb, who I always thought  
was rotting away in hell,  
was sitting pretty on cloud nine,  
looking incredibly well.

I nudged Jesus, "What's the deal?  
I would love to hear Your take.  
How'd all these sinners get up here?  
God must've made a mistake.

"And why's everyone so quiet,  
so somber? Give me a clue."  
"Hush, child," said He, "they're all in shock.  
No one thought they'd be seeing you."

## NOMADS On The Move

In the latest issue of the Escapees magazine, there was an excellent article written by Sue Kiel on the adventures of the NOMADS. We have returned from the NOMADS reunion in DuQuoin, IL, where there were 348 present, representing 27 different states. Since January 1<sup>st</sup>, the NOMADS have contributed over 86,000 hours of volunteer work. Not counted in this are the two revolving team projects in the Gulf Coast area. Howard and I have been a part of NOMADS since 1999, and feel that the Lord has really blessed us in all of the projects that we have worked on, and the wonderful people we have met in doing so. We may not get to come to Escapade, depending on what the doctor says. We have curbed our travels since Howard had his heart attack in May. Blessings to all.

*Howard and Carol Stoner, SKP # 51154*

*Editor's Note: The NOMADS are one example of Christians who volunteer to help those who are in need without looking for adulation. May we all take a hint from organizations such as the NOMADS.*

## Chapter Directors Greetings

Hi Folks - We've enjoyed summering in the high desert area of Bend, Oregon and travels to our northern Canadian neighbors, but it's time to think Fall Escapade in Van Wert, Ohio. We hope your travels take you east to the beautiful plains of the Midwest for Fall adventures and colors. If not at Fall Escapade - we hope to see you along the way. Enjoy your Chapter/C-BOF rallies. Bring a friend with you to join the fun! Rallies are a great place to make new friends, see new places and enjoy your Escapees Family. SKP Hugs,

*Susie & Denny Orr, Chapter Directors*

## Thank You from CARE

The following letters were received from Kay Peterson and Escapees CARE, Inc in response to the BOF gift of another \$1000.

May 10, 2006

Dear Barbara-

I wanted to add my personal thanks for the wonderful donation from the Christian Fellowship BOF. We truly hope you all had a lot of fun raising the money at your Post Escapade rally. Susie and Denny Orr have the patches but I think they usually award them at the next Escapade.

CARE can only continue to operate at its current prices because of the generosity of people like you folks. A good many of the participants simply could not afford to pay more than our rates. I truly do not know what some of them would do without this ongoing support from their fellow Escapees.

So - on behalf of everyone who believes in the CARE program -

Thanks You!

Special hugs -  
Kay Peterson

## CARE Donations

Any donations for CARE during the year can be sent to the BOF Treasurer (Barbara Henderson, 3590 Glacier Ave., Yuma, AZ 85365) with CARE designated on the donation. It will then be forwarded to CARE for credit toward our next banner patch.

You can also leave money for CARE in your will and have the BOF get credit for it. It will be sent from your state to the BOF Treasurer and then be forwarded to CARE.

## This n' That

Someone said, "Christians are like stoplights on a car. They never do anything until you stomp on them real hard, and then they turn red all over."

Someone said, "The Holy Spirit won't manifest Himself until we deny ourselves."

The Biblical Jesus is a man surrounded by controversy. He came not to bring peace but a sword (**Matt 10:34**).

## Attitude is Everything

There once was a woman who woke up one morning, looked in the mirror, and noticed she had only three hairs on her head. "Well," she said, "I think I'll braid my hair today." So she did and she had a wonderful day.

The next day she woke up, looked in the mirror and saw that she had only two hairs on her head. "Hmmm," she said, "I think I'll part my hair down the middle today." So she did and she had a grand day.

The next day she woke up, looked in the mirror and noticed that she had only one hair on her head. "Well," she said, "Today I'm going to wear my hair in a pony tail." So she did and she had a fun, fun day.

The next day she woke up, looked in the mirror and noticed that there wasn't a single hair on her head. "YEAH!" she exclaimed, "I don't have to fix my hair today!"

**Attitude is everything.**

## My Son

A Jewish businessman in Chicago sent his son to Israel for a year to absorb the culture. When the son returned, he said, "Papa, I had a great time in Israel. By the way, I converted to Christianity."

Oy vey," said the father, "what have I done!" He took his problem to his best friend. "Ike," he said, "I sent my son to Israel and he came home a Christian. What can I do?"

"Funny you should ask," said Ike. "I, too, sent my son to Israel and he also came home a Christian. Perhaps we should go see the rabbi."

They explained their problem to the rabbi. "Funny you should ask," said the rabbi. "I, too sent my son to Israel and he also came home a Christian. What is happening to our young people?"

Then they prayed, telling God about their sons, asking Him what they should do. As they finished their prayers, a voice came booming from the heavens:

"Funny you should ask," said the voice. "I, too, sent my son.

## Down the Road...

Where are you going to be on September 17-22, 2006? How about Van Wert, OH? What are you doing during April 22-27, 2007? Why not Sail into Stockton, CA? Mark your calendar now for these two important gatherings of the Christian Fellowship BOF at the 2006 Fall and 2007 Spring Escapades.

## The Editor's Corner

Greetings from your Christian Fellowship BOF Newsletter Editor. We've just finished five weeks in Iowa—the place from which we started our travels six years ago. Now it is on to Wisconsin for a family reunion, then Michigan for our first granddaughter's wedding. Somewhere near Labor Day we will begin our travels through Indiana, Missouri, Oklahoma, and Texas, ending up at The Ranch in Lakewood, NM. We will hunker down there for a couple months.

## Address Updates

We're still getting newsletters returned because of faulty addresses. In some cases, I cannot contact the addressee because of no e-mail address (or the e-mail address is also faulty). I've called some people and left phone messages but have never received any type of answer. I feel badly when you do not receive the newsletter. Please try to keep your address and e-mail address up to date. It is important so that we can get information to you in a timely manner. We want all members to be as fully informed as possible. We received three newsletters back as undeliverable. One had a forwarding address on it so we were able to put it in an envelope and send it out again.

## BOF Chat Group

Do you want to stay in daily touch with the Christian Fellowship BOF? You now can, via e-mail. All you have to do is send an e-mail to [Christianbof-subscribe@yahoogroups.com](mailto:Christianbof-subscribe@yahoogroups.com).

When you receive a reply you will be able to send messages to [christianbof@yahoogroups.com](mailto:christianbof@yahoogroups.com) that everyone who subscribes to it will receive.

This will allow you to send messages to one address instead of having to try to remember the addresses of many people. If you have a pressing prayer need, a praise report, or just want to share something that's going on in your family, you can send it and everyone will be made aware right away instead of having to wait for a newsletter to be published.
